An abstract geometric drawing consisting of a complex network of thin, light gray lines. The lines intersect to form various shapes, including triangles, quadrilaterals, and larger, irregular polygons. A single, small red dot is placed at a central intersection point. The word "Archi." is written in a bold, red, sans-serif font, slanted downwards from left to right, positioned over the lower-left portion of the drawing.

Archi.

The background consists of several overlapping, semi-transparent red shapes on a white background. These shapes include a large circle on the left, a large triangle on the right, and various other geometric forms that create a complex, layered pattern. The red color is a muted, earthy shade.
