NOTES ABOUT ASSESSMENT

The two written assignments must be submitted to the Turnitin module on the Moodle course website by the appropriate deadline. You are responsible for ensuring that your submission was logged on the system successfully. Marks and feedback on the written assessments will be available via Moodle.

Note also that all assessment components are compulsory.

Students can attend each examination only once, either in the regularly scheduled or the deferred examination period.

acquiring another person's academic work and copying it, offering to complete another person's work or seeking payment for completing academic work.

Duplication: submitting your own work, in whole or in part, where it has previously been

A final year design student used images of someone else's designs in her work and he said the designs were his own. The matter was formally investigated by his Faculty and he was found to have committed academic misconduct and failed the course.
