All assessments in this course have been designed and implemented in accordance with UNSW Assessment Policy.

Tutorial participation	N/A	5%	/5	N/A
Mid-session test	50 mins	20%	/20	Week 4 (online)
Group project		35%	/35	
Presentation	12 minutes	No report		

Further details and marking criteria for each assessment will be provided to students closer to the assessment release date (see 4.1: UNSW Assessment Design Procedure).

In accordance with

The APA (7th edition) referencing style is to be adopted in this course. Students should consult the publication manual itself (rather than third party interpretations of it) in order to properly adhere to APA style conventions. Students do not need to purchase a copy of the manual, it is available in the library or online. This resource is used by assessment markers and should be the only resource used by students to ensure they adopt this style appropriately :

_____ is a form of acknowledging the sources of information that you use to research your assignments. You need to provide a reference
